The Ogden Trust provides grants to gifted students of physics at various stages of their education and early careers. The Trust wants to keep in touch with its alumni (current and former scholars) to offer additional development opportunities and to recruit enthusiastic assistants to nurture the next generation of promising young people.

Check our website for all the latest Ogden physics news and find out what The Ogden Trust can do for you and what you can do for Ogden scholars and talented physicists of the future.

making physics matter

The Ogden Trust

Whether you are in receipt of financial support now or have been in the past, there are many reasons to keep in touch with us.

Financial Incentives

Final Year Undergraduate Grants, worth £1,000 - for alumni who are not in receipt of an Ogden Undergraduate Science Scholarship

PGCE Scholarships for physics specialists, worth £2,500 for recent undergraduates and £4,000 for career changers

Trustees' Awards, worth up to £1,000 - for alumni undertaking academic trips, gap year voluntary work, studying abroad and exchanges

Subsidised Trips - the Trust takes alumni groups to CERN; open to anyone who is interested

Gaining Skills and Experience

Internships - funded positions in university research and outreach, the commercial and charitable sectors, and the innovative 'Teach Physics' programme for potential teachers; 4-8 weeks

Workshops - sessions in life skills such as job applications

Networking, Support and Mentoring

Social events - a great way to make new contacts and friends

Mentoring - an official directory of Ogden mentors accessible from the alumni database

The BLOGden - occasional contests to choose bloggers whom you can follow on our website

Social media - 'like' our Facebook Alumni Association page, follow us on Twitter @ogdentrust and join our LinkedIn group to participate in the Ogden online community

More information and qualifying criteria are available on our website and on the alumni database. That's where you can access exclusive initiatives and events and keep your record up-to-date. Alternatively, phone or email us.

Newsletters are sent regularly to alumni with a working email address so do check we have the right one!
