Ogden Trust Survey

We would like to find out your views on Science, Physics and Careers

There are no right or wrong answers - we are interested in what YOU think (your individual answers will not be seen by any of your teachers)

Please click the CONTINUE button below to start the survey, it should take about 5 minutes to complete...

*Required

Science: in School Lessons

What area of Science do you find MOST interesting at school?

*

- Physics (e.g. forces, electricity & astronomy)
- Biology (e.g. living things & the natural world)
- None of them
- Chemistry (e.g. atoms, elements, properties & reactions of matter)
- Other:

*What do you think about your Physics Lessons at school? **

Please choose one option in each row

	All the time	Most of the time	Sometimes	Not very often	Never
Our Physics lessons are exciting	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

I find learning about Physics boring	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I enjoy doing practical work in Physics	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
We learn interesting things in Physics lessons	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I am confident I can do well in Physics	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I look forward to my Physics lessons	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please give up to 3 words which describe how you feel about Science at school...

Word 1 *

Word 2

Word 3

Science: outside of Lessons

What science-related activities do you enjoy doing OUTSIDE LESSONS? *

These may be at school, at home, or in your own time (Please tick all that apply)

- Taking part in a science club
- Looking at websites about science (including Facebook, Twitter etc)
- Watching science videos online
- Watching science programmes on TV
- Visiting science centres or science museums
- Seeing somebody give a talk about science
- Doing science experiments at home or with friends
- Reading science magazines and books

- Discussing science with my friends or family
- I don't do any science-related activities outside lessons
- Other:

*I would like to do more science activities outside lessons **

1 2 3 4 5

Not at all Lots more

It is exciting to find out about new things happening in science

*

1 2 3 4 5

Not exciting at all Very exciting

*Science & Technology are important for our lives and in the world around us **

1 2 3 4 5

Not at all important Very important

Science: and Careers

*People like me use Science in their jobs **

Do you agree with this statement?

1 2 3 4 5

Definitely Disagree Definitely Agree

Please give up to 3 jobs you can think of that use Physics

*Job 1 **

Job 2

Job 3

*I think people that use Physics a lot in their jobs... **

Please tick as many statements that you AGREE with

- Can make a difference in the world
- Make a lot of money
- Have interesting jobs
- Are brainy
- Help other people
- Are odd
- Are respected by other people
- Spend most of their time working by themselves
- Do valuable work
- Don't have many other interests
- Have to be creative in their work
- Are geeks

*Think about the grown-ups you know, or have met... **

	Lots	Quite a few	Not many	None at all
How many adults do you KNOW WELL (e.g. family members, older friends etc) that use Science in their Jobs, or are Studying it?	●	●	●	●
How many adults have you MET (e.g. visitors to school, on trips) that use Science in their Jobs, or are Studying it?	●	●	●	●

*Where do you get the best advice about jobs and careers from? **

Tick up to 3 boxes

- From my Teachers
- From other members of my Family (e.g. Brothers, Sisters, Aunts, Uncles, Grandparents etc)

- From Careers Advisors
- From my Parents
- From Websites & the Internet (including Facebook, Twitter etc)
- From my Friends
- From TV Programmes
- Other:

Science: and your Future

*In the future would you like to... ? **

Please choose one option in each row

	Yes, definitely	Maybe	I don't know	Probably not	No, definitely not
I would like to study more Physics in the future	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I would like to have a job that uses Physics	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I think learning about Physics will be useful for me in the future	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I would like to become a Physicist	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
I think I could be a good Scientist one day	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

*Would you like to do any of the these jobs in the future? **

Tick as many as you like

- Work in the Arts or be an Artist, Musician, Actor or Dancer
- Run or work in a Business
- Be an Inventor
- I don't know what I want to do
- Be a Teacher or work with Children
- Work in Science
- Be a Celebrity
- Work in a Trade (e.g. Electrician, Plumber, Builder)
- Work in Engineering
- Work in Sports or be a Professional Athlete
- Be a Doctor or work in Medicine

- Be a Designer
- Work in Hair and/or Beauty
- Be a Lawyer
- Other:

Your plans for when you leave School or College *

Choose the statement you most agree with

What do you hope to do when you leave School or College? *

Finally a few questions about you...

Are you... *

- FEMALE
- MALE

What SCHOOL YEAR are you in? *

Pick one from the list

- Year 7
- Year 8
- Year 9
- Year 10
- Year 11
- Year 12
- Year 13

That's it, you're done!
